**Who:** The session is open to parents and caregivers with an interest in children's mental health. We strongly encourage participation by parents and caregivers of children of all ages. Experience with related services is not a requirement to participate.

**What:** Participate in a group conversation with other parents and caregivers about children's mental health and the future.

**Where:** Online via Zoom

**Why participate:** Hennepin County in partnership with Children's Mental Health Collaborative are partnering to create change. Your views will help shape how we improve children's mental health care experiences in the future.

Space is limited.  
Register early.
